5) Chairmans report

a).We have had a request from Marie Curie for use of Centre for free but I would recommend we don't do it for free, I will leave it up to you to decide on costs. It was unanimously agreed as a charity we could not allow free use of the centre. A very minimum fee would be £10 per hour.

b. We got the Grassroots grant for the brewing kitchen of £2440 to fit sinks and water boiler. The plan being the main kitchen can be locked to stop people messing it up. The brewing kitchen will also be locked with groups paying to use it as the tea, coffee etc will be on free vend or honesty box fitted.

c. You will have noted the heating is off except for the luncheon club 11.30 to 12.30 this will save us £100s

d. I am leaving the Hurst PACT (Police and Communities Together) at Ceder Park and also the FoCP (Friends of Ceder Park) to start a FoKGPF (Friends of King Georges Playing Fields) and wondered if someone could represent the Centre but the meetings are through the day at the PACT and FoCP ? John Horton said he could do this. DB said he would also be willing to be involved.

e. I have applied for a bingo m/c for the CoF (Circle of Friends) was HLCC from POPPS £300

f. Not heard anything about the Community Chest grants due to the government changes

SCP panto royalties £900

Ash photo electric screen £1251.38

NOTTS projector £415.90

6) Secretaries Report.

- a) I am concerned about members of SSCP coming into the centre on Wednesday evenings for meetings and rehearsals without consulting myself as booking secretary. Brian Scanlon said that this was not necessary as AF had said that SSSP could use the centre any Wednesday evenings. I will speak to Alan as I am sure this was not what he had in mind.
- b) A firm called KT Jewellers used the centre to purchase gold items from the public. A fee of £70 to be paid on the day in cash was agreed, however this was not collected. I have an address and mobile number and have tried to ring but without success.

7) Treasurers report.
